

## Nepalese - German Academic Exchange

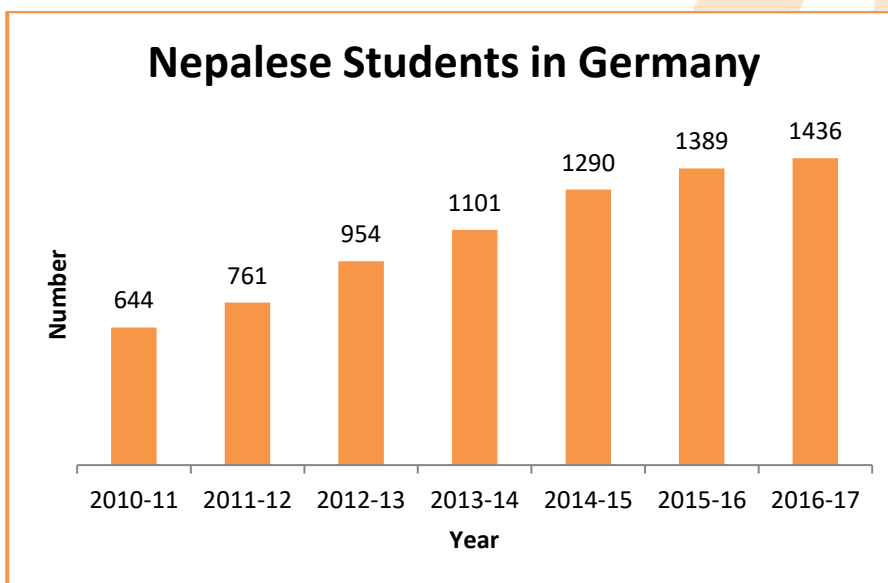

Germany and Nepal have a long standing tradition of bilateral cooperation. DAAD Regional office in New Delhi has been promoting Nepalese-German academic collaboration. DAAD provides information about higher education and research in Germany. It administers a large variety of scholarships for outstanding scholars, post-docs, faculty and senior researchers from both Nepal and Germany. It also offers a wide range of institutional and cooperation based funding programmes.

### International students in Germany\*

Year	Total Students	International Students	% International Students
2010-11	2 217 604	252 032	11.40%
