Call for Proposals

The German Academic Exchange Service (DAAD) and the Association of Indian Universities (AIU) invite you to submit a proposal for a session at the conference.

Date: 4–6 May 2022

About the conference

The three-day conference is a platform for stakeholders and higher education institutions from Germany, France, India, Bangladesh, Bhutan, Nepal and Sri Lanka to connect and liaison. They discuss the future of international exchange in higher education, share good practices and connect with other key stakeholders across higher education and research spectrum. Participants can collaborate during the sessions and establish new contacts through B2B meetings.

The conference addresses different aspects and fields of internationalisation such as non-degree seeking mobility, equity and access, developing strategic partnerships between institutions, philanthropic funding, ranking mechanisms in higher education, digitalisation and transnational education among others.

Interested to contribute to a session as a speaker?

Parallel sessions will be conducted which are designed to provide an engaging forum for exchange of ideas around a selected topic. Brief, thought-provoking, and stimulating presentations from experts will be followed by a discussion with the audience.

We invite you to submit a proposal for a 15-minute presentation on a topic. Individual as well as joint presentations are welcome. Proposals should be submitted across the following themes:

1. Strategic partnerships: Developing sustainable and multi-lateral partnerships between institutions
2. Non degree seeking mobility: Fostering internationalisation through short-term stays
3. Digitalisation: Using digital solutions for monitoring and evaluation of international activities
4. Equity and access: Enabling international education for all
5. Philanthropic funding in higher education: Exploring opportunities
