Austauschdienst

Friday July 28, 2023 | 8:30 AM

The workshop will begin with an inaugural session, followed by a Technical session on research opportunities and higher study in Germany. Students from any discipline can join to learn about universities and research centers in Germany, as well as the application process for higher studies there. Esteemed guests, including representatives from DAAD India office and researchers with experience in Germany, will share their insights.

The second part of the workshop will involve Ph.D. scholars and postdoctoral fellows from various biological science schools, along with researchers from neighboring institutes and collaborating universities. They will have the chance to present their work through oral presentations and posters.
